SUB DIVIDABLE OPPORTUNITY IN NORTH IPSWICH!!
With rent prices increasing rapidly you would be crazy to continue lining the pockets of your entrepreneurial landlord. This home is positioned on a massive 1247 square metre block and (subject to council approval) can be subdivided and represents real value.

Now is the opportunity to establish yourself as a property owner and purchase your first home at a price you can afford and therefore you owe it to yourself to inspect this property today.

As you make your way up the front stairs you will discover a front veranda, adding character to the home and a great place to sit and relax after a hard days work.
