4 2 2

This beautiful lowset brick-n-tile home is situated on a generous 832sqm corner block in a very popular area of Flinders View. The last recorded sale in the street was 4 years ago*, and it's easy to see why no one here wants to sell! You'll find the carpeted lounge room next the entry to the home and allows great separation of living. The kitchen features a great amount of storage incorporating a corner pantry, an island bench with a breakfast bar and stainless steel appliances (including a dishwasher). Adjacent to this is the tiled and air conditioned dining room which accesses the outdoor area.
