CROWNE
REAL ESTATE

1 Irvine Street East Ipswich QLD

3 2 2

This gorgeous home has recently undergone a complete renovation, and the result
Is simply amazing. The location is sure to impress, being situated on a flood free and fully fenced 680 square metre block - close to shopping centres, schools and a hop skip and jump to the main highways for commuters to Brisbane and Toowoomba.

Once stepping into the home you will firstly notice the beautiful polished floors. The living area of the home is quite large with air conditioning and ceiling fan and could easily cater for the largest of lounge suites. This flows through to the dining area of the home which is located opposite the kitchen.
