

CROWNE

REAL ESTATE

Lot 0 St Michaels Terrace PINE MOUNTAIN QLD

Coming in at almost 14 acres and only minutes to Ipswich CBD, this fully fenced block is a rare find indeed! Quiet and private, you could be treated to stunning mountain views when you wake up in the morning.

There is an excellent cleared building site at the front of the block, with the remainder of the block being lightly treed. Its size leaves the orientation and design of your future home for you to decide. Will your alfresco area be flooded with warm sunlight in the afternoon, or would you prefer the rays to come in the morning as you have your usual cup of coffee? Do you want to add in a pool, shed or granny flat? The choice is yours (subject to Council approval of course!) There's more than enough land for you to run a horse or three should you choose to as well, and water access for livestock is easy thanks to the small gully at the back of the property which has never run dry during the owners' time!
