Upon entry to the home you are greeted by the carpeted lounge room, which is a great size and comes with a ceiling fan. Two of the bedrooms lead off from here as does the huge eat-in kitchen. The remaining three bedrooms are located at the other end of the home, all of which are a great size and one featuring split system air conditioning and a built-in wardrobe. All five bedrooms are serviced by a bathroom with an abundance of linen storage and a separate toilet.
