This freshly-painted home turns 130 this year and has retained much of the charm of yesteryear. Those searching for a home with unique charm will find it here, from the polished timber flooring to the ledlight windows to the intricate decorative fretwork.

Step through the front door and be welcomed by that gleaming timber flooring, VJ walls and soaring ceilings that continue on throughout the home. The three bedrooms are nearby, all with ceilings fans and generously proportioned. Servicing these is a huge bathroom with a separate bathtub and shower plus a separate toilet.

The lounge room at the heart of the home has a new air conditioner and leads through to the sun-drenched dining room and adjacent kitchen. In the kitchen you'll find a good amount of storage, a freestanding gas cooker, and more
