13 HOPMAN WAY SPRINGFIELD LAKES QLD

3 2 1

It is my pleasure to introduce you to this beautiful property in the sought after suburb of Springfield Lakes. Sitting on a low maintenance block, this home is ideal for downsizing or first home buyers.

It is quite deceptive from the front as the home spreads over most of the block, but inside you will be surprised at the size of the internal layout of the home. I invite you in to have a look and be amazed!!

The perfect place to cook up a storm is a great size kitchen, with heaps of cupboard and bench space also boasting a dishwasher. It overlooks the main air conditioned living and dining area, which provides access to the covered entertaining area.

The three bedrooms of the home are all a great size with
