Walk in the front door to a large tiled, open plan kitchen, living and dining with air conditioning that is large enough for the biggest of families. The kitchen is made for entertaining with modern appliances and stone bench tops. There is a laundry inside the remote double lockup garage and patio out the back and all this area is serviced by a powder room.

Upstairs you will find, 4 bedrooms all with fans and built in robes (master bedroom with walk-in-robe, ensuite and air-conditioning) a spacious lounge room and 2 bathrooms (including ensuite)

This property is fully fenced, has rain water tanks and solar panels.

However this property is not pet friendly
