From the moment you approach the home you will admire its elevated position and appreciate the privacy it would provide to you and your family.

The home itself offers two large and separate air conditioned living areas so that there is plenty of room for your family to spread out.

Centrally located between these two living areas and also looking out onto the massive pergola and in-ground pool is the family kitchen. This kitchen is sure to impress the chef in your family as it has every modern convenience as well as loads of bench and cupboard space.

All four of homes bedrooms are large and offer built-in robes & fans. The master bedroom offers plenty of room for additional bedroom furniture as well walk-in robe and
