This unique villa is set in Gateway Bremer Waters and has a motivated vendor wanting to sell. The home boasts two large double sized bedrooms with a single bedroom or craft /study room.

The well-appointed kitchen with heaps of cupboard and bench space overlooks the dining area and air conditioned open plan living area.

The main bedroom is air conditioned and all other rooms are serviced with a main bathroom and separate toilet.

A big surprise to the home is the deck has been enclosed with plantation shutters so makes it a great place to relax and sit with a drink after enjoying the activities the complex provides. Another surprise is that the villa caters for three vehicles, which are protected by an insulated remote
