2 Glenross Drive Pine Mountain QLD

Well at some point in our lives we may all have to consider downsizing and usually that means leaving behind a lifetime of memories. And boys and girls that's what is happening here today.

This home is as fantastic as it is fastidiously tidy and what a privilege it is for me to be able to bring it to market, but make no mistake this home is priced to sell and I won't be surprised to see it go quickly. I put a list of features below as well as including a 3D floor plan.

My favourite things would have to be the man shed down the back with power and phone and I have to say I love the open plan kitchen, lounge and dining. Come and have a look this weekend or if you need to get in first then just give me a call and I will make it happen!
