REAL ESTATE

## 113 Mt Crosby Road Tivoli QLD

2 1 1

As soon as I arrived at this home to appraise it I knew I had to have it to sell!!

As far as real estate goes it has it all - character, appeal, awesome location and its solid as a rock.

This home, set on 809 square metres has been in one family for many years and features your choice of either three bedrooms or two bedrooms with two living areas.

The air conditioned lounge area is a great size and could easily accommodate the largest of lounges.

The two bedrooms of the home are large with the main being air conditioned. Both bedrooms are serviced by a main bathroom.
