

## 68A Holdsworth Road NORTH IPSWICH QLD

4 1 2

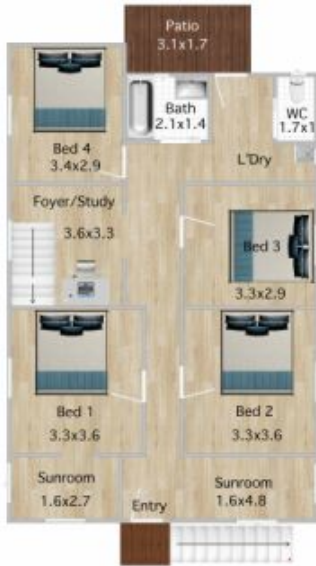

This property is intriguing. Located in a convenient position in North Ipswich, this home offers privacy and quick access to the Warrego Highway for commuters to Brisbane and Toowoomba. Combining a mixture of old and new, conservative and flamboyant; there is still lots that can be done to add value and improve here. The internal stairs will need immediate attention, but weigh up the rest of the home's many features and consider the asking price and it's still a bargain. It has-

A generous living/dining area downstairs with a large modern kitchen  
4 large bedrooms upstairs with space to add in an ensuite off the master  
Timber floors  
Character features  
Private block

**Price** : \$ 285,000  
**Land Size** : 537 sqm
