Private inspections available - please arrange with agents.  
This unique home offers an outstanding opportunity to purchase a modern home complete with a Heritage style finish surrounded by other sophisticated homes in the street.

With an impressive front veranda that extends right along the front and wraps around the sides, this beautiful, modern Heritage style home has striking street appeal.  
Set back on the 899m<sup>2</sup> corner block, the front yard is finished with established gardens and trees including gums and various fruit trees that frame the house perfectly.

Timber framed French windows and doors complete with brass handles lead you from the inside to the veranda which has just had a fresh coat of paint on the rails.
