Don't think of downsizing - Think of Party Time!

Have you been thinking lately that your home is just too big for just yourself or just you and your husband after the kids have moved out?

Are you thinking of travelling but don't want to leave the house behind to fall apart and find when you return that the front lawn looks like a jungle?

If you are anything like me and when someone mentions a 2 bedroom unit in a complex, you automatically think of pokey little places where everyone lives in each others pockets?.WELL THINK AGAIN!!!! This place is affordable and best of all you can interact with other residents or just keep to yourself.

**Price** : \$ 139,000
