Have you been looking to get into the market? Can only buy in the bottom end of the market? Looking for a project to complete? Well this home will suit your needs.

This brick home is set on a generous 607 square metre block. The three bedroom brick home has heaps of potential. The eight year old renovated kitchen would impress the Curtis Stones of the family with heaps of cupboard and bench space. There is a separate dining area off the kitchen and also is adjacent to the large lounge area.

All three bedrooms are serviced by a revamped bathroom.

Underneath is the laundry with heaps of storage area and single car accommodation.
