## 91 Chubb Street One Mile QLD

This is a prime opportunity to secure an amazing flat and vacant 577m2 block of land, located within five (5) minute drive to Ipswich CBD.

One Mile is one of the most highly searched suburbs in Ipswich because of its affordability and proximity to Schools, shops, public transport including electric rail and highway transport to Brisbane. It is also exceptionally appealing to defence personnel as it is less than a five (5) minute drive to RAAF Base Amberley. This is an opportunity that you can't afford to miss so you need to inspect it now before it is gone!

The block itself is situated in a well- established residential area, amongst well established homes. Being a level 577m2 block of land, this would be a perfect site to build a beautiful family home or investment property. As an extra
