Has 2020 made you reassess and want to chase your dream home and property?

The home is the owner's dream property and they are offering it to the market for the first time as they are now ready to downsize due to health reasons. This Custom built, fully off grid expansive home is nestled on a fully fenced 42 picturesque acre property and presents the perfect opportunity for a family to turn their dreams into reality with this property.

The property is perfect for horses or a few cows as there are 3 dams. However, if it is just lifestyle and absolute privacy you are chasing this is the perfect property.

The home has a large front and rear veranda to sit and enjoy the magnificent views of the little Liverpool Ranges and the Great Dividing Ranges.
