The kitchen comes well-equipped to make the chef of the house smile. In here you'll find an abundance of storage - including overhead cupboards and a double-door pantry - a dishwasher, an extra-large fridge space, an electric oven and a gas cooktop with a rangehood!

The large island bench incorporates the double-bowl stainless steel sink and a breakfast bar for informal meals, and overlooks the nearby air conditioned dining room and separate tiled lounge room, which is an excellent size. From here you can access the covered outdoor area with a ceiling fan - enjoy a BBQ, entertain guests or have a spot of alfresco dining!

There are four bedrooms in total, all with built in wardrobes and ceiling fans. The master suite sports a stylish ensuite plus a walk-in wardrobe and also boasts split system air conditioning to keep you cool or cosy as you choose!
