

CROWNE
REAL ESTATE

13 Bowen Street Woodend QLD

This stunning home with modern makeover has been renovated and highlighting the warmth and character of stunning polished timber floors, embracing the charm of high ceilings and French doors, with all the comforts of modern living.

This home has a stylish new kitchen and large modern bathroom and painted throughout in fresh neutral tones. The home boasts open plan living and has a large air conditioner that is big enough to service the main living areas of the home as well as the kitchen. The renovations offer all the modern comforts of a new home but still has all the character and charm you would expect to see in this era of property from the beautiful polished timber floors, stained glass windows, high ceilings French doors, Edwardian style skirting and architraves. Opportunity also exists to further enhance this property by building in under
