

CROWNE

REAL ESTATE

1325 Brisbane Valley Highway FERNVALE QLD

4 2 2

They certainly don't build homes like this anymore, with a full brick construction, massive concrete suspended flooring, more steel than BHP and a hardwood frame.

This home will easily cater to a large family with three great sized built in bedrooms on the upper level, an updated bathroom plus a mammoth amount of space under the home with another bedroom and bathroom, with access via the internal stairs. THIS IS ALL LEGAL HEIGHT!!

The kitchen of the home has had a modern stainless steel appliances installed plus there is a hug double fridge space for the largest of fridges.

There is also a great sized air conditioned lounge room on offer with a cosy wood fire place and a combined meals area where you can sit back and relax after a hard days

Price : \$ 500,000
Land Size : 2659 sqm
