

2/49 Braeside Road Bundamba QLD

This feature packed four-bedroom family home is only 10 years young and built like a bomb shelter. Not only is the construction of this home impressive but the location with its stunning views and a rent return that is sure to make any investor very happy.

From the moment you approach this designer home you can tell that it offers a level of custom inclusions and that it will stand out from the crowd of standard project-built homes. This includes a wide range of composite materials including spray concrete, render, masonite panelling, terraced concrete retaining walls and timber cladding combined with Colourbond roofing. With split system A/C, downlights and ceiling fans throughout, this home is sure to impress the fussiest of buyers and is unlike anything else you have ever seen.
